-  ACCESS CONCRETE CUTTING & CORING
-  ACCESS SHORING TECHNOLOGIES

Since 2003, Access Contracting Group has proudly served the Mid-Atlantic area including Maryland, District of Columbia, Pennsylvania, Delaware, Virginia, & West Virginia. Regardless of the size & value of the project, Access Contracting Group treats every client with the highest standards & customer service.

The Access team is comprised of experienced & extensively trained personnel at all points of our operations. We have seasoned estimators, who offer the most competitive pricing, top notch project managers, who guide the client through the entire duration of the project, & the highest quality labor & equipment available to complete the contracted scope of work. All of our field supervisors are OSHA-30 trained & certified. Receiving OSHA-10 at a minimum, all workers are trained & tested on job site specific safety practices & procedures. Global Harmonization, power tools, fall protection & scaffolding safety, CPR, confined space awareness, swing stage, silica & mold awareness, as well as mobile platform training, are all certifications acquired by all field employees.

Our business has been built on a strong family work ethic that spans generations of construction experience. This lends itself to effective means & methods paired with hands on management to successfully execute all projects.
